### Alpha's Corner

Alpha Delta Chapter has enjoyed its best two consecutive semesters of rush in a long while. We pledged and initiated 13 good men in the Fall and already this Spring we have 12 more pledges waiting to join the active ranks. I'm proud of the entire Brotherhood for all their work this year. A special thanks should go to Iota's Bob Norwood and Mitch Sturgeon for their dedicated work with the pledge classes.

Homecoming 1985 was a success once again with many Alpha Delta alumni returning to their stomping grounds to see one another and reflect on good times. Thank you to all who could make it. Also, the Brothers would like to thank the number of you who have donated money to Alpha Delta Chapter. It's certainly helping us become a stronger group.

Phi Kap continues to play with the best of them in intramural sports as we made it to the final game in football but lost to Phi Eta in the championship.

With all the new Brothers we have managed to fill the house to capacity once again. During work week our pledges completely stripped and refinished the hardwood finish on the stairs and halls and fixed the slate on the front steps.

Our newest Brothers initiated on December 7th are: Jeffrey Corbin, Augusta; Noel LeVasseur, Augusta; Daniel Gallant, Augusta; Marc Crocker, Lincoln; Mike Gifford, Lincoln; Gary Fetteroll, Medfield, MA; Ken Ness, Medfield, MA; Troy Lambert, Vassalboro; Scott Manocchio, Vassalboro; Scott McCrum, Mars Hill; Peter Oakes, Boothbay Harbor; Aaron Boyton, Marlboro; and Patrick Theriault, Brewer.

If any of you are in the area this Spring stop in and see us because we're certainly proud of all we've done this year.

Fraternally,  
Paul Walsh, Alpha
